FAQS

Can I get a CUPRA Lease&Care agreement?

CUPRA Lease&Care agreements are available for both personal and business customers, however, the product has been designed for personal use. Private individuals, sole traders and partnerships are eligible for a regulated Lease&Care agreement. Limited Companies and Limited Liability Partnerships (LLP's) are eligible for a non-regulated Lease&Care agreement. If you are intending to use for business purposes, we recommend exploring our Contract Hire options. Lease&Care is not available to any customer intending to use the vehicle for hire and reward purposes.*

What benefits does CUPRA Lease&Care offer me?

- It is ideal for customers simply wanting to pay a monthly payment for the vehicle and servicing, change it at a regular fixed period and have no depreciation risk
- You won't own the vehicle and therefore won't have the worry of ownership, you just have to hand it back at the end
- There is no additional final payment at the end of the agreement (subject to excess mileage and fair wear and tear)
- There is a servicing Care Package included and you will have the choice of Small, Medium or Large to make budgeting even easier

Important information to consider:

- Ownership of the vehicle will always remain with SEAT Financial Services and it is really important that you keep up to date with your monthly payments. Please contact us if you are having any difficulties as the vehicle may be at risk if you don't
- CUPRA Lease&Care agreements are not designed to be settled early. If you wish to end your agreement early (for example, due to a change in circumstances) you can request an early termination quote to cover the cost of the remaining payments
- If you exceed the agreed mileage set out in your agreement, then excess mileage charges will apply. If during your agreement you think you will exceed your anticipated mileage, then please contact SEAT Financial Services to discuss the options available
- It is important to keep your vehicle in good condition as you may be charged for any damage that goes beyond the BVRLA's fair wear and tear standards

What happens at the end of my agreement?

At the end of your agreement, you will not own the vehicle as you are leasing it. You will have three options:

1. Move into a new CUPRA Born or another CUPRA vehicle
2. Stay in your CUPRA Born for a further 1/2/3 years (to a maximum combined term of 5 years)
3. Return and hand back your CUPRA Born subject to excess mileage and fair wear and tear charges

*I.e. taxis, short term hire organisations, body-shop usage, driving schools or replacement vehicle insurance claim business. An offer of finance depends on certain conditions. Subject to status. Available to 18s and over in the UK only. Terms and conditions apply. SEAT Financial Services.
